## *From the Desk of Paul Craven*

It may be hot and may be humid, but that hasn't stopped the ongoing activity at the Club this summer. The summer camps and tennis and golf programs have been packed and the adults have been holding their own on the golf course, tennis courts and in dining rooms! It's been a fantastic summer! Thanks for your continual support of the Club.

In your end-of-month statement you'll see the summary of the Club's financial performance for the first half of the year. We've had a solid start. Revenues are up, and we are ahead of budget from an overall performance stand-point. Our membership count since the start of the year is up by eight members through June, and there are another 17 participating in our six-month trial membership program. Initiation fees are also nicely ahead of budget. There's no reason to think our second half of the year won't be as good or better, compared to budget, than the first.

One thing that should help us in this second half is the upcoming closure to the golf course at Plantation at Ponte Vedra Beach. In preparation for this twelve month renovation, Plantation reached out to a number of clubs in the area (many of whom offered group rates and temporary memberships). We have picked up a handful of Plantation members from both a group and temporary membership perspective. Those who have already played the course speak very highly of it and have expressed excitement at the opportunity to play here and interact with our membership.

At the July Board meeting, discussion continued to focus on our actions in regard to facility enhancements based on the results of the 2014 Strategic Survey. A town hall meeting will be announced soon so that we can share the plans in regards to fitness expansion, improvements to the short game practice area of our golf course, and ideas generated to further improve the pool area and our deteriorating parking situation. The discussion will focus on priorities, a timetable, and the funding mechanism for these projects.

Also at the board meeting, the board again approved limited early morning use of the swimming pool to the Providence High School Swim team, a number of whom are Club members' children. A delay in construction of their new pool has necessitated such a request. As with last year, this again helps out a school in need for about two months.

Lastly, many of the members have been very gracious and very supportive in helping provide funds to the daughter of the Club's Executive Housekeeper, Katrice Griffin. On her behalf thank you so much for the kindness and generosity you have always shown to those most in need. This truly is an amazing community.

See you around the Club.

## PRIVATE GOLF CART HANDICAP USERS

The Golf Committee has revised the handicap flag use policy and guidelines when applying for and using a handicap flag during a round of golf. The policy requires a doctor's note for individuals with physical restrictions requesting the use of temporary or permanent handicap flags. This policy was established to allow golfers with physical limitations a set of clear guidelines allowing extended access privileges across cart path return lines established for normal play. The Golf Shop has daily use flags that need to be returned after each round or you may request a permanent flag to be purchased. All handicap flags must be prominently displayed on the golf cart to be recognized by all golfers. If you have not received the new policy or submitted a medical release to use a handicap flag, please stop by the Golf Shop for assistance.

Congratulations Ray Barr for coming in 1st Place Low Pro with his 68 at the Pro Lady at Windy Harbor Golf Course, Mayport! Kyle DeVries shot an impressive 69! JGCC competed with 2 teams in the Lady Pro Am Event. Ray's team of Caryn Kasik, Debra McDermott and Susie Fonde also placed 2nd place in the team event! Also pictured, Kathy Danberg, Betty White and Mary Rice. Congratulations to all!

## HANDICAP COMMITTEE: "EVERY GOLFER WANTS TO ENJOY A FAIR MATCH"

The message for the month of August addresses: **Posting All Scores Applying ESQ!!** Whether you play a home or an away round of golf, post all scores ... even if you don't think your record will use the score for the next revision period. You are doing yourself a disservice by not posting higher scores that will cycle out and keep your record up-to-date. Besides, it is a rule to follow by posting all rounds, both match and stroke play and 18-hole and 9-hole rounds.

It is also a requirement to apply **Equitable Stroke Control** to all hole scores that exceed the highest score allowable based on handicap. When playing a partial hole, apply the score you were most likely to have made or ESQ, whichever is most appropriate.

## Golfing Achievements

### Holes-In-One:

**7/3 - Logan Presnell**, a guest of Joseph Schmucker, recorded an ACE on Hole #6 during his round as he enjoyed the company of his friend and the play of JGCC. His first ACE using a 6-iron from 153 yards will be one to remember by both players.

**7/9 - Wib Finch** added to his ACE record by taking care of hole #12 in one shot. His 7-iron from 147 yards this day completed his Ace assault at JGCC. He now has holes-in-one on the first 3 Par 3's ... needing #17 to complete the cycle. His witnesses stated "it was a lucky shot!"

**7/16 - Bill Gesdorf** made an elusive hole-in-one on the tough hole #12 from 150 yards. His shot using a 5-Rescue was his 3rd ACE at JGCC, 2nd on hole #12 and 7th career ACE. Congrats!

### Eagles:

**7/3 - Joel Greene** recorded an eagle "3" on hole #8 this day. His approach on the 2nd shot into the green was hit with a Hybrid and a short putt for his 3. Nice shot!

**7/23 - Rod Fullerton** holed out his approach shot on the 7th hole this round. His shot of 135 yards using a 6-iron was right on target. Another great shot from a seasoned golfer!

### Personal Bests:

**7/14 - Jim Trado** recorded one of his best rounds in many years! His 1 under par 71 not only broke par, the score beat his age by 12 strokes ... all from the Gold Tees this day. His round included a very consistent 3 birdies/2 bogeys. Jim has tied or beat his age 17 rounds of the last 40 posted in his handicap record ... a great testament to a very good golfer. What a fantastic round!

**7/9 - Lisa Brown** recorded a rare feat as one of our 9-Hole Lady golfers. She had a long chip-in Birdie on hole #8. Great shot!

## JUNIOR GOLF UPDATE:

Team picture from our last PGA Junior League match on July 11th!

## BEGINNING GOLFER AND SHORT-GAME CLINICS!

Come out and support this kickoff to the fall season of golf. The 5-week series will run Saturdays, September 12th, 19th, and 26th, and October 4th and 11th. The clinic fee of \$99 per person covers up to 5 lessons and the kickoff free 1-hour clinic.

Want to learn to be a better chipper of the ball around the green? Sign up for this 5-week clinic offered by Head Professional Ray Barr each Thursday afternoon from **October 22nd - November 20th**. The clinic fee of \$99 per person covers up to five 1-hour short-game lessons offering a variety of shots to help improve your up-and-down percentages. Sign up in the Golf Shop in October and come out and learn more shots around the green that will surely help your scoring!

## 9-Holers Group!

If you want to learn to play golf or want to work at making your game better, then PLEASE come join the 9-hole ladies golf group on Thursdays. We kick off our season of friendship and laughter with brunch on August 27th at Barbara Larkin's house. No stress, just pure, plain fun! Starting August 1st, look for the invitation flyers in the Pro Shop and bulletin boards. The official season of play begins on September 10th with a 9am start time. Of course, rain or shine, we'll meet at the Club for lunch around 11:30am! We will have Cart Buddies for the month of September, mini-clinics with Adam at 8:45am on Thursdays, rotate between front and back nine, and \$50 worth of prize money to win each month, in plenty of different ways, so everyone has a chance to win throughout the year. This is the year to make new friends and join the fabulous sport of Golf. Call Shannon Stanley for more information.

## 18-Hole Ladies Opening Day - September 1st!

Whether you score in the 70s, 80s, 90s or the 100s, the 18-hole LGA is a place where you'll share in the excitement, frustration and reward of this great game of golf! Each Tuesday during the season, the LGA tees off in a 9am shotgun start and plays either an individual, partner or team handicapped tournament. And much like the JGCC Men's Golf Association, because the events are handicapped, it allows for all levels of players to compete and have fun. And, as a member of the LGA, you'll also have an opportunity to play all year because you will be eligible to play in the JGCC Summer Team Match play tournaments which features 22 to 24 of our area Clubs competing in a 10-week match play series. Please join us on September 1st! Membership forms are available in the Pro Shop!

**Summer Team Highlights:** JGCC is now in 3rd place in Area 4. This made possible by the spectacular play by the JGCC "Dream Team" who competed against Eagle Harbor on July 14th. The three JGCC teams all won their matches with some brilliant play against Eagle Harbor's equally outstanding play. Kudos to Susie Fonde who shot a 69 on her own ball during the matches and to the entire team who played to their handicap or better to claim victory.

## UPCOMING AUGUST EVENTS

## Tai Chi with Alison on Wednesdays at 6:30pm!

This is a mixture of therapeutic and arthritis tai chi. This class is designed to massage the muscles and body with blood circulation and oxygen. The practice is a combination of tai chi dances which allows you to safely participate with ailments and injuries. It brings focus and breathe to the practice allowing you to mediate in motion. Releasing stress, anxiety, and tension from the body. This class is based on the Arthritis Foundation Tai Chi Program developed by Dr. Paul Lam, which uses gentle Sun-style Tai Chi routines that are safe, easy to learn and suitable for every fitness level. It is aimed to reduce pain and improve mental and physical wellbeing. This class is a full 60 minutes.

~ Tai Chi Testimonial from Peggy Herren: "Experience Tai Chi and enjoy improved sleep and balance and focus. Just a few of the amazing benefits and it's fun and easy to learn."
