From the Desk of Paul Craven

Summer is rapidly approaching, and we have the weather and activities at the Club to prove it! This is an exciting time of year as we gear up for summer camps and swim team while seeing high levels of activities around the Clubhouse. Making it even more exciting are the ongoing projects around the Club, as many areas have been under construction recently.

Last week you may have seen updates involving some concrete work. The second and final pour took place on Thursday for the raised deck at the pool. Together with the earlier deck expansion around the palm trees, this will add even more space around the pool. New furniture for the raised deck is expected in May. We'll wait a week or so for curing before applying a textured finish, then repaint the whole pool deck with additional aggregate to improve the safety around the pool.

We have also finished the curbing work in the parking lot so we can proceed with the repaving of the parking lot scheduled for May. A complete planned schedule is available on the back cover of this newsletter, and it should be complete before Memorial Day. We will also be clearing some trees in the vacant area near the Club entrance often used for overflow parking. This clearance will provide much needed additional parking on a short-term basis at minimal cost. In conjunction with this tree removal we will also be taking down the two remaining pine trees directly behind the Clubhouse. They have become so big in recent years that they pose a danger to the Clubhouse and major safety concern.

From a financial perspective, the Club has had a solid first quarter performance. The quarterly financial report with full details will be included in the statements and available on the Club website.

The buzz that The Players Championship brings about Jacksonville also brings a buzz to the Club as we all seem to have golf on the brain! Our course is in great condition right now so our members and guests should have a very enjoyable experience. Thanks to Greg Tharp and team for getting us through a rough winter and keeping us updated on the progress. If you haven't already downloaded the Club app, make sure you do so as Greg posts his updates there too. The course will be closed for aerification the week following The Players (closed May 16-23), so contact the Pro Shop if you would like details for arrangements to golf at other Clubs during our course closure.

Have you had a chance to visit the online pro shop yet? We're continuing our 20% off discount code for members throughout the month of May. There are some great options for gifts for Mother's Day and Father's Day – take advantage of the savings with code **jpgcc20**.

Beginning in May, we will offer a weekly Tuesday dinner special to expand on the success of the early bird dining we were previously offering twice monthly. Featured entrees will be specially priced and available all evening long! We hope to see you up at the Club for some of your favorites! You can find the special for each Tuesday on page 6.

Looking through the newsletter, there are lots of great events coming up. Hope to see you at some of them!

Paul Craven

THANK YOU!!

On behalf of the Golf Course Maintenance staff, we would like to extend a very large Thank You to the membership here at Jacksonville Golf and Country Club. The heartfelt efforts of the many that helped to organize and contribute to the fund for Terry Baldwin's medical expenses was truly an extraordinary and successful response to the family's needs. It makes us feel very fortunate and proud to be a part of the JGCC family.

Terry was a key member of our staff for 12 years. We were very fortunate to have been able to have a person of his stature on our staff and enjoy his company. Terry passed on April 3rd at home. The service was held on Saturday the 9th, at St. Paul's Catholic Church. Terry's family made mention of how grateful that they are for the loving support that JGCC provided, and Terry's love for the Club and the love for those that he worked with, was mentioned several times during the service.

Forever Grateful,
Greg Tharp

Notes from the Pro: Ray Barr

- The more success we have in repairing **ALL BALL MARKS** and filling **ALL DIVOTS** keeps our course in beautiful condition for everyone!
- Please keep **ALL 4 TIRES** on the concrete at all times around all greens & tees. The constant wear of the grass is starting to show!
- **Back Range** practice is encouraged for those working on their swings. The back range tee is now being set up each day with den caddies of balls and guide ropes. Please do not take any caddies or range balls off property!! Removing the caddies and balls limits availability for the entire membership.
- Members are reminded to please include all names when booking your online tee times. Also, if you need to make changes or cancel your tee time, please do so 24 hours prior to your scheduled time to give other members the opportunity to book their time or fill in an open slot.

GOLF COURSE & ALL PRACTICE FACILITIES CLOSED MONDAY, MAY 16TH-MONDAY, MAY 23RD!!

LGA NEWS AND HIGHLIGHTS

May has just three play days so please sign up to play! May 3rd, 10th and closing day on May 24th. Closing day is always a special day, and Caryn Kasik and Shirley Booker are planning some surprises for us so don't miss it. If you can't play, please join us for the lunch and closing meeting and awards. We want to thank our board members for their service this year and also congratulate them volunteering for another year. The nominations for the 2016-2017 Board are: Debra McDermott, President; Rosa DuBose, Vice President; Millie Lopez, Secretary and Mary Rice, Treasurer.

Summer Team Play begins May 31st this year! Mary Rice and Jane Annunziata, our Summer Team Captain and Co-Captain, say "We want the area trophy to stay right here in the JGCC trophy case, and we'd like to put the overall trophy right next to it this year!"

Golfing Achievements

PERSONAL BESTS:

4/12 - **Joan Harris** had a great first round in the opening of the Ladies President's Cup event. She recorded a nice score of net 68. Especially notable, she made a par 3 the tough way on hole #17. After a water ball tee shot, Joan holed her 3rd shot from the drop zone for par. How fun!

4/13 - **Rod Fullerton** was showing off again by beating his age with a great round of 78. His round included 2 birdies and gave him a net 64! Way to blow out the score and dust off another score in the 70's!

EAGLES:

3/30 - **Mark Caliel** has been taking dead aim at the flags as of late. He recently holed out for the 3rd time in 2016, this one coming on hole #2. His "eagle 2" earned him a quick 6 points during the afternoon Men's E-9 game. Congratulations!

HOLES-IN-ONE:

4/10 - **Mike Zalewa** recorded a very nice ace on hole #17. This was his 1st hole-in-one of his many days playing golf. He holed a 6-iron from 173 yards, one he will always remember! Jim Matese and Pat McGarry witnessed the shot.

Junior Golf Updates

The PGA Junior League Team is set and ready for the season! The growth and popularity of the league continues to grow with our Junior Golf Program! We were hopeful to field two teams this year; however, we didn't have enough players for two full teams. We will have 16 Jr. League golfers for the Spring Season! Match dates have been set and the juniors have all been practicing their games. Good luck and have fun!

9-HOLERS NEWS AND UPDATES!

Congrats to Courtney Barclay's team for coming in 2nd place and Deb Langdon's team for coming in first place!! Way to go ladies!
