Notes from the Pro: Ray Barr

A very special Thank You goes out to our entire Club for its wonderful support of the **2nd Annual Women's Collegiate hosted by the UNF Women's Golf Team March 8-10.** The inaugural event in 2014 had 13 teams participate and this year 18 universities will compete. All of the players/coaches are being hosted by members in our community, and the tremendous outpouring of support is much appreciated as JGCC encourages the growth of women's golf. Many of our hosts will also participate in the College-Am on Sunday leading up to the 54-hole Collegiate. Open play on Tuesday, March 10th, will be available starting at 1:30pm. Come out to show your support for your favorite school and watch some great golf by many of our future stars in women's golf. Thank you again for your support as JGCC hosts the University of North Florida and as we support women's golf! **Spots are still available for the College-AM! Call 223-6910 for details.**

REMINDERS: Daylight Savings Time begins this month. This is a friendly reminder to move your time pieces FORWARD 1 HOUR by 2AM Sunday, March 8th! You don't want to miss your tee times that Sunday morning! Golf Shop closing hours are changing - The Shop will close at 6pm beginning March 3rd through the end of the month and then transition to 7am-7pm April through September.

INAUGURAL "SAN-JAX CHALLENGE CUP MATCHES"

The event will be hosted by JGCC for the inaugural competition with a team introduction banquet Friday followed by matches I & II contested at SJCC on Saturday. Singles matches are hosted by JGCC on Sunday to determine the winning Club. This is the first year of what is hoped to become a new tradition and a long-standing home vs. away match with our friends at SJCC. All members that wish to come out and support the JGCC team on Sunday are encouraged to watch some great golf and spirited competition!

Golfing Achievements

Holes-In-One:

2/6 Jay Shea is welcomed to the Hole-In-One Club recording his first ACE of his golfing days. His memorable shot occurred on hole #12 with a slightly hidden pin location in a back-middle position. The club of choice was a 6-iron from 191 yards and was witnessed by John Lobb and Craig Stafford.

2/7 Bill Merriam played a round with his son, Spencer, and Bob & Sean Dale at Pablo Creek CC and came away with a nice "1" on his scorecard. He used a 9-iron from 122 yards on hole #15 to record his first ACE of his golfing days. Congratulations and welcome to the Hole-In-One Club!

2/12 Kathy Danberg recorded an ACE while on vacation with her husband at Wailea Emerald CC in the Hawaiian Islands. Her shot of 94 yards using a pitching wedge took two bounces and dove into the cup.

2/22 Debra McDermott recorded an ACE on hole #17. She used a 9-iron from 105 yards. Congratulations! Ironically, this was witnessed by Jim & Cathy Grosso, both of whom have seen many ACES of late ... and some on hole #17!! (Pictured, right)

Eagles:

2/6 David Mobley made an Eagle "2." His prodigious drive over the trees left him with a sand wedge into hole #4 that he dunked for his Eagle. Nice Shot!

2/7 Patrick Cruz recorded his Eagle "3" on hole #14 during the Saturday MGA Kickoff event. He hit his 2nd shot into the green and made a putt for his Eagle. Nicely done!

2/15 Mike Cameron managed an Eagle of his own on hole #7 by holing a sand wedge from 69 yards. Big Drive – precise approach – no putts ... priceless!

2/22 Skip Lunsford holed out his 3rd shot approach into the green. The hole played very long against the cool wind as his 136 yard 7-iron was quite the shot. It landed below the hole and rolled nicely into the cup for a "3". Congratulations on the hole-out that helped you make the Team!

March Activities for the 9-Holers

First and foremost, a big thank you to all of the 9 and 18-Holers who will be hosting one or more of the women golfers for the UNF Women's Intercollegiate Golf Tournament to be held at Jacksonville Golf and Country Club on March 7th-10th. Now that spring is around the corner our lady golfers are heating up the links with their practice swings. We meet every Thursday at 9am for regular play days but every month there are some special activities! For March they include Fun Day on Thursday, March 5th. We'll be playing Mutt & Jeff - low total scores on 3 pars and 5 pars win. Our scheduled inter-club tournament this month is being held at Eagle Harbour Country Club on Thursday, March 19th. Please call or stop by the Golf Shop to sign up. As always, if for some reason you're not able to play golf, please join us anyway for lunch at the club at 11:30am!

Updates for the 18-Holers

The LGA is really looking forward to warmer weather allowing us to golf in all the upcoming scheduled activities. Match play tournament is now moving along with participants scheduling their matches. We begin the month with the President's Birthday Game surprise on Tuesday, March 3rd. Lots of fun prizes and special rules are in store for participants this day. Of course, we anticipate welcoming and watching the collegiate lady golfers who will be playing on our wonderful JGCC course March 8th-10th. Because of their tournament, our regular golf day is moved to Thursday, March 12th, when we will share the course with the 9-holer group.

Happy St. Patrick's Day--the first day for our Member/Member two-week event. This is an alternating 9-hole Captain's Choice, 9 holes combined BB fun tournament. Then on Thursday, March 26th, we host the 9-holers for another fun day of golf. Every frustrated golfer comes away laughing and looking forward to lunch! This day should be a blast! Our busy month concludes on the 31st with another fun day of golf with the Pro. Our Pro Ray Barr plans a game enabling him to join all of our golfing groups for a few holes of play. We always look forward to games like this. With this busy golf schedule in March, we really need some nice weather Tuesdays and Thursdays, in particular. Hope to see you all very often on the green!!

Member Testimonial!

Want a core workout that is gentle on the wrists and still provides the basics of yoga and deep breathing? Try Chair Yoga and Gentle Flow Yoga classes. A longtime fan of the Simply Stretch classes, I find these two newer yoga classes offer much of the same relaxing and breathing in a different format that has added great variety to my routines at JGCC fitness. - Joy Hardaker

Meet our Newest Instructor at JGCC - Maria Martinez!

Maria is a 200-hour registered yoga teacher (RYT) currently enrolled in the 500-hour teacher training. She also has her chair yoga certification through Lakshmi Voelke (LVCY). After a personal injury she pursued yoga as a way to manage the pain and to find healing. She has experienced the physical, mental, and spiritual benefits of practicing yoga; and she desires to share it with others. Her passion is to reach those who have difficulties practicing yoga on a mat.

She will be leading the Simply Stretch and Chair Yoga classes. Chair yoga can be done on a chair, in a wheelchair, or behind a desk. It is not limited to seniors. Yoga can be used as a "pick-me-up" during your lunch break or whenever you are feeling mentally cloudy because the stretching and breathing will help rejuvenate your mind and your energy.

Maria's goal is to guide people through their personal yoga journey and to increase strength and flexibility. She looks forward to meeting everyone and hopes to see you on the mat or chair soon! Look for Maria's new classes on the Fitness Calendar!
