## *From the Desk of Paul Craven*

While I'm writing this article, the team is in high-gear preparing for the tennis member-guest tournament! The creativity that is on display at events like this never ceases to amaze me ... and I know our members and their guests appreciate it too by the compliments we've received in the past. This year's Oscars theme looks especially glamorous. In fact, Angelina Jolie and Will Farrell (life-size cutouts) joined us for our employee benefits meeting; and they looked excited for the event too! Best of luck to all the participants in the tournament; and winners, keep your acceptance speeches brief.

There's plenty to be excited about at the Club in 2016! You've recently received an email and mailed letter from Club Board President Rich Shafer regarding the Board's decision to move forward on several projects, including: additional fitness space using a temporary building adjacent to our existing fitness center, a complete facelift to the Club's parking, and pool decking for expanded seating. Most of this should be complete by mid-year.

We are excited that our new Club Mobile Phone App is nearly ready for download - March 7th! Please refer to the enclosed insert to this newsletter on details how to download and utilize this new communication tool. This is a great addition to our communications repertoire, and we are very excited to roll it out. For those of you are that are less technically inclined, like myself, our team would be happy to walk you through downloading and accessing the App. Call Hannah or Laura at 223-5555 for assistance.

For those of you with school-age children, Sarah has again done a tremendous job planning and preparing for Summer Camps. The 2016 Summer Survival Guide will be printed and available for pickup on Friday, March 4th. Taking a glance through the brochure should make the parents envious of all the fun in store for the children ... but then again, looking through this newsletter and all the pictures of past events and promotions for upcoming ones, it looks like we have lots of happy adults here too! There is truly something for everyone at JGCC and that's one of the best things about our Club!

Speaking of which, we'd like you to be thinking about a friend or colleague that may enjoy all of the activities and amenities at your Club. Member referrals are the best way to grow membership, and it's critical that we continue to do so. On Thursday, April 14th, we will have a Spring Open House for prospective members. Invite a friend! We're working hard to attract and retain members, and your help is greatly appreciated. Let me know if you'd like a postcard invitation to pass along. We'll be happy to reach out to them!

Our Annual Meeting is quickly approaching! With so many exciting enhancements on the horizon, we're expecting a strong turnout and have been pleased with member support at recent similar events. Please join us on Tuesday, March 29th, at 6pm. We're also looking for members that are interested in serving on committees. At their most recent board meeting the Board approved a change to the bylaws that now allows Committee Members to serve two consecutive terms. Recall that last year we began a new process to apply for committee positions. Look for emails throughout the month of March on how to apply.

It's been a very busy and productive start to 2016. We look for this to continue throughout the year.

See you at the Club,

*Paul Craven*
