From the Desk of Paul Craven

Both the weather and the Club have been extremely active! And despite weather impacting the Spring Campout, the Golf Member/Member Tournament and the third consecutive major Tennis Tournament of the season, we keep moving forward!

Following a full month of activity in April, I believe May will be even busier! As you'll see within this newsletter, there is much to be excited about as we head into summer. Here are a few highlights:

On Thursday, April 30th, the Club is hosting a prospective member cocktail party. The membership has been terrific in responding to this event. There are a large number of confirmed individuals that have expressed interest in Club membership so this should be a great event. This is in addition to a number of perspective members already signing up for our trial membership program this month. It looks like word is getting out about how good it is to be a member of JGCC!

The Players Championship week that starts May 4th tees off a couple full golf weeks at the Club. Our golf course, which is in terrific condition, will be busy with a number of members and guests playing throughout the week. Be sure to go online or call the Pro Shop to make your tee times for the week. Following the Players Championship, the course will close from May 11th through May 18th for Aerification Week. This will be our second year closing the course to allow for major work to be completed ensuring the long term condition of the course. While closed, a number of golf courses in the area have extended playing privileges for our members. Please call the Pro Shop to arrange for these playing opportunities. In addition, volunteer opportunities on the maintenance of our course are available during the week. Sign up at the Pro Shop if you'd like to help Greg and his crew out. More information on the plans on the week is posted in the Golf Pro Shop.

Having completed the resurfacing and landscape work on our pool last month, our facility improvement plans continue in May with the tennis courts. Starting May 18th, we begin stripping and regrading for the resurfacing of our original seven tennis courts. Working on two or three courts at a time, our plan is to complete this within a 20 day period (weather permitting). This will get these courts in "like new" condition with much better draining than before. Time permitting, we will also work on improving the landscaping around the courts, similar to what was completed last year.

Through the first quarter of the year, the Club is operating slightly ahead of budget. As usual a full outline of our financial results will be provided online and in your upcoming statement.

See you around the Club!

Notes from the Pro: Ray Barr

- Starting Tuesday, May 5th, weekday tee times will start at 7:30am. Men's Open Play will shotgun at 8am each Wednesday and Friday beginning Friday, May 6th. Weekends will remain the same with the first time at 8am on both #1 and #10 Tees. These times will continue through September going forward. Our Superintendent, Greg Tharp, would like to remind all our early morning golfers of our practice to allow only threesomes and foursomes each morning prior to 8am. Singles and twosomes will not be allowed to start prior to 8am. The maintenance staff cannot complete their setup of the course for the day when singles or twosomes interrupt their routine of preparing the course each morning. Thank you for your cooperation.
- **Adopt-A-Hole** program continues to be important to our course conditions and hopefully remains active with all of our golfers. Please check with our starter each time you play the course and take a little extra special care of **your hole for the day!** The more success we have in repairing **ALL BALL MARKS** and filling **ALL DIVOTS** keeps our course in beautiful condition for everyone!
- Additionally, please adhere to the **CART PATH ONLY** designation when in effect! The excellent condition of our facility can only be maintained with the support of our golfers!
- **Handicap Flags** are allowed on the course with a doctor's note permitting members to drive their carts closer than normal to the greens. Those utilizing handicap flags are reminded to stay on the flat areas below bunkers and the greens. Please do not drive your carts near the green surfaces or between any greenside bunkers. Members are also reminded that handicap flags are not allowed during cart path only conditions!
- **The MGA Board** recently had their request approved to allow guests of MGA members to participate in their monthly events on a limited basis. Members may invite guests on a limited basis under the following criteria: valid and current hcp index, no more than 2 times per year, member appreciation golf & green fees plus \$65 MGA tournament fee and guests will play with the member.

TPC WEEK REMINDER!

During the week of May 5th-10th, the following golf schedule and availability apply:

- **Tuesday & Wednesday regular tee times**
- **Sunday regular weekend double-tee.**
- **Thursday – Saturday, 8am and 1pm shotgun starts**
- **Approved small private outings Thursday - Saturday may cause limited availability.**
- **Golf Category Members are reminded to make your tee times 7-days in advance!!**
Weekday Members may arrange for times 3 days in advance and Social & Tennis members may make 2-day advance reservations.

May Activities for 9-Holers

Now that May is here our organized golf activities will be drawing to a close at the end of the month. May 28th will be our last formal day to play but please continue to play on Thursdays through the summer with the group. We will have a Fun Day on Thursday, May 7th. The game is called "I Had a Rough Day." Count how many times your ball lands in the rough and the highest number wins! No InterClub in May as we have a "bye month" for Interclub activities. As a thank you to all our members for a great season, there will be a Golf Luncheon on May 28th! A sign up sheet will be posted in the Golf Shop. We look forward to seeing you all there! As always, if for some reason you're not able to play golf, please join us for lunch at the club at 11:30! **As usual, see you on Thursdays for fun, camaraderie and golf!!**

Golfing Achievements

PERSONAL BESTS:

4/4 Dan Welch continues his good play after replacing his knee. This round was a very respectable 79 for his first round under 80 as a "bionic golfer." He managed a par on the last three holes to keep it out of the snow!

4/11 Tom Joseph recorded a very fine round that rivaled his best. His score of 77 playing the Silver tees set him up for some good golf to follow. Who says playing it forward doesn't pay off!

4/17 Floyd Hughes did what all golfers can only hope to accomplish - beating your age with your golf score. Floyd shot his age of 79 with his score this day. Congratulations!

4/17 Ian Kincaid posted his career score ... must have been something in the water! Ian posted a 75 and his round included three birdies on the day for a very nice score. Congrats!

4/14 Jim Trado has beat his age many times over the last 10 years; however, the feat never goes unnoticed. He tied his age with an 83 in the books. Congrats!

EAGLES:

4/16 Joel Greene recorded an Eagle "2" on hole #11. His shot from 138 yards using a nine iron was quite a pleasant surprise when it jumped in the hole. Congrats!

4/17 Bob Roth made a very nice score on hole #5 during his round. His shot of 122 yards using a 9-iron recorded an Eagle "2" on the card. Great score!

JUNIOR GOLF UPDATE:

The **Inaugural PGA Junior League Team** has been assembled with the following participants: Patton Avera, Sofia Davila, Noah Folkesson-Doudy, Mia Grabowski, Carter Harris, Ryan Kiernan, Andrew Kunkle, Luke Kunkle, J.T. Leahy, Holden Mendez, John Miniotas, Michael Miniotas, Julia Wallace, Braxton Worley and Joey Valinho.

The Team has been practicing twice per week during April. Round-robin matches begin in May as we compete in the East Division against the following Teams: TPC Sawgrass, Sawgrass CC, South Hampton, Deerwood and San Jose CC. The matches are to be completed in July. Junior Golfers interested in the after-school Clinics are reminded they will resume in September. Summer Camps start June 16th - Sign up today!

LGA 18-Holers

In March the golfers participated in the two-week Member/Member game. Congratulations to **Sylvia Roberts and Kathy Burns (pictured right)** for their stellar play to win that competition. In April LGA members held their two-week President's Cup Tournament. This 36-hole net score game was won by **Sachi Deriso**. Congratulations to Sachi for great play. Coming in second was **Julie McClelland** and third place was won by **Rosa DuBose**, based on second-round scoring (There was a three-way tie for third place). It was a close game where anyone was capable of winning.

Great games, ladies. (Pictured, right)

After the super fun Invitational on the 28th with 136 ladies enjoying the course, May brings us to the end of our season with the Closing Day luncheon and activities being planned by Marie Benedict and Millie Lopez. This will take place on Thursday, May 21st, instead of a Tuesday due to the course maintenance schedule. New LGA officers will be elected at the meeting held after the luncheon. We will continue to enjoy the wonderful game of golf on our beautiful course during the summer months. See you on the green!

HANDICAP COMMITTEE UPDATE

A friendly reminder from the Committee about posting scores from 9 holes - tournament rounds. Players are urged to post all 9-hole scores and 18-hole scores from stroke play and match play rounds.

- 9-hole scores are posted when completing 7-12 holes and 18-hole scores are posted when completing a minimum of 13 holes. Players are to apply ESC (equitable stroke control) on holes not completed. See chart at handicap posting station in Golf Shop.
- Reminder that tournament scores are also subject to ESC adjustments.
- All Match Play scores are to be posted. Holes conceded or not completed during a match are to be scored with the score the player was most likely to have made in that situation! i.e.: a player picks up after losing a hole and lies 10ft from the pin ... he is most likely to have a two-putt to record a score. i.e.: a player has birdie from 35ft conceded, he would invoke a two-putt for a par on the hole.

REMINDER TO MEMBERS:

The Club and Golf Course will be open for member use in celebration of Memorial Day on Monday, May 25th. Golf will offer double tee starts, as we do on the weekend, with starting times from 8am - 9:48am and 12:15pm - 1:30pm. The Golf Shop will close at 3pm, however, the driving range will remain open until 6pm. The Club and course will be closed on Tuesday, May 26th.

Golf is offering a \$10 cash Gross & Net Skins Game in the morning with a Men's & Ladies Division. Scorecards must be returned by 2pm to qualify.
