From the Desk of Paul Craven

We may have had the first official day of Fall, but I'm not sure the temperatures are reflecting that quite yet! Looking through this newsletter assures us that Fall activities are coming, whether the weather indicates it or not! Monster Mash on October 26th is always a fun, family event and the tennis players have a blast at their Spooktacular event. We have seen some creative costumes (on the children and adults, alike!) in the last few years and look forward to seeing the photographic evidence from the event again this year. Speaking of tennis, I'm sure you all join me in expressing our congratulations to the ladies tennis team featured on the cover of the Club newsletter this month. Way to go team!

After quite a few unexpected delays, we are pleased to announce that the Modular Fitness Center will be opening in October, which will more than double the existing space and offer additional equipment that will help us meet a greater variety of members' health and wellness needs. Club trends around the nation demonstrate the importance of Fitness and wellness for long-term membership recruitment and retention. We look forward to hearing member feedback about the additional space. Watch your e-mail for the date of our grand opening celebration.

Our member survey is in the final phase of completion and will be distributed via email to all Club members this month. If you prefer a hard-copy, or do not have access to e-mail, please contact Laura at 493-3111 and she will be happy to accommodate you. The survey will be asking for your feedback on critical short-and long-term projects and funding, so we appreciate you taking the time to provide this important feedback.

If you have any questions, comments, or concerns regarding Club activities or business, please contact me or a member of the Board of Governors to discuss. In this technological age, we give members many forums for communications; website, email, Club App, Social Media, etc. but we also want to encourage direct conversation between members and Club representatives.

Finally, best of luck to all of the participants in the Men's Member-Guest tournament October 12th-15th. Greg Tharp and team have the course in great condition! Ray Barr and team have dotted all the I's and crossed all the T's for the event, and the Food and Beverage Team has big plans in store for all the participants. It's gearing up to be another great event, and another great season at the Club!

Handicap Committee Update

The Handicap Committee met September 8th for their quarterly meeting. A major objective of the committee is to continue spreading knowledge throughout the club about the USGA Handicap System along with reminders that keep everyone informed during your golf.

What is the purpose of the tournament score procedure?

Tournament rounds identify players who excel during competition well beyond their current handicap index.

Tournament scores are generally reserved for competitions that, in the judgment of the committee, are significant in the traditions, schedules, formats, and membership of the club.

All official tournament rounds are identified by a "T" in a golfer's record.

The committee, prior to any competition, shall determine and announce whether the rounds will result in tournament scores.

The majority of all tournament rounds will be posted by the Golf Professional Staff, unless otherwise notified.

Note: Look to the November newsletter for more information and a follow-up related to the effects of tournament rounds on one's handicap index.

... Remember, "Every Golfer Wants to Enjoy a Fair Match"

"PATRIOT DAY WEEKEND"

A very special THANK YOU goes out to all JGCC members who contributed to our Patriot Day fundraising for the Folds of Honor. On Labor Day weekend our members took part in a Par 3 Contest. Your participation was greatly appreciated by me and, of course, by our PGA Chapter. Over the last few years our North Florida Section of the PGA of America raised/contributed over \$65,000 for the Folds of Honor.

Our PGA Section remains in the top 5 of the 41 PGA Sections in raising the highest amount of money. We appreciate your contributions to such a great cause. Congratulations go out to our winners **John Lobb** and **Rod Fullerton** who represented JGCC at the city-wide finals mid-September. Congratulations to John on his 3rd place finish in the finals!

Golfing Achievements

Personal Best Rounds

8/25 Rod Fullerton continues to play golf at a very high level ... for any age! He recorded his second round the week of August 23-28 equal to or lower than his age. The latest score of 82 included a hole-out from a bunker for a birdie 2 on hole #3. Congratulations on your great play!

9/20 Pete Kellermann has been working hard on his game over the last few months preparing to qualify for the 2017 PGA Tour. His round this Tuesday tied the course record of 62 (10 under par). The round included 11 birdies and one lone bogey on hole #7. Even more impressive about the round, he birdied ALL par 3s and 5s on the day. Fantastic round, Pete; and we all wish you the best as you work toward your goal of earning PGA Tour Membership.

EAGLES:

8/24 Deb McDermott - 2s are wild!!! Deb recorded an eagle 2 on hole #7. Her approach shot after a good tee ball followed a very nice birdie 2 on hole #6. Congratulations!

9/7 Bill Kasik holed out his approach shot on hole #4 from quite a way back. His tee ball ended up 185 yards from the pin, and he fired a 3-hybrid in the cup for a 2. Congratulations on a great shot!
