From the Desk of Paul Craven

Even though many of you still have kids in school, Memorial Day is typically when we say summer has arrived! Our official launch is the Memorial Day BBQ cookout which is soon after followed by swim meets, kids' camps, lots of golf events and more! Review this and our future newsletters to find all the exciting opportunities your Club is offering this summer.

Speaking of swim meets, our Dolphins swim team is over 100 kids strong again this year. They are hard at work practicing each day preparing for their first meet on June 4th. We wish them luck this season. Eat our bubbles!

From a golf perspective, we're offering numerous events throughout the summer. Men's E9 is well underway, and the Ladies E3 has just kicked off. Saturday Lottery continues as well as monthly MGA events. June 4th and 11th are the dates for the two-man Presidents Cup qualifying and June 24th is our one-day Men's Member/Guest. Too many to list them all but you can see all of June's events on the enclosed calendar or on the website.

The efforts and planning that took place earlier in the year is now starting to see the light of day. The repaving project which included milling and repaving of the tennis and golf parking lots as well as the circular entrance and driveway is now virtually done. The main work has been completed "paving" the way for our contractor to work through the final punch list.

The raised deck at the shallow end of the pool is virtually complete and will be ready for summer. We also expanded the seating area on the north side of the pool as well as the northeast corner. We've also ordered poolside games for kids and adults to play to include an oversized chess set and Jenga which will be fun additions to the pool.

The new fitness area modular unit is under construction and is expected to be complete and delivered mid-June. Once delivered, it will take approximately four to five weeks to complete the build out. Therefore, we are expecting a mid-July opening.

During the course closure following the week of The Players, Greg Tharp and his staff completed a full aerification of tees, greens, collars and fairways. In addition, they applied a heavy dose of fertilizer to the course, a nematicide chemical to the greens, and a herbicide chemical to the natural areas and tree basins. The course has come a long way since the dormant winter months; and, with the nice rainfall we received during the evenings of this process, Greg is confident our greens will heal quickly ensuring an exceptional golfing experience within the next couple of weeks. It will then be an ideal time to bring your friends out to show off your Club. Great job, Greg and team!

Greg posts his updates on the course conditions and course maintenance plans on our mobile phone app. If you haven't already downloaded and begun utilizing the app, let us know and we'll help you get set up.

Continuing on the golf theme, congratulations are in order for Assistant Golf Pro Kyle DeVries! Kyle recently completed the final stage of the certification process for his PGA Class A membership status. That's a terrific accomplishment for both Kyle and the Club.

There's a lot to be proud of and a lot to look forward to at our Club. Thanks for your continued support.

See you around the Club,

Paul Craven

9-Hole News and Updates!

The 9-hole golf group wound down its season with an Interclub Tournament at Eagle Harbor on May 5, 2016. Starting in June a few staggered tee times will be set aside for 9-hole golfers on Thursdays mornings. Please call the Pro Shop a few days in advance to secure your spot in those foursomes. Have a wonderful summer and keep cool!

HOLES-IN-ONE:

4/30 - **David Mobley** recorded a very nice hole-in-one during his final match of the Presidents Cup vs John Lobb. He started his round birdie-birdie-ace to take a quick 3 up lead. David’s ace was a well hit 8-iron. Great shot!

EAGLES:

4/24 - **Frank Roberts** carded a very nice Eagle “2” on the often tough playing hole #5. He used his 8-iron from 132 yards to successfully hole-out after a good tee ball. Great shot!

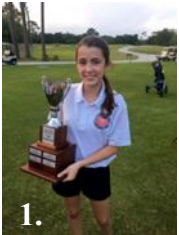

5/11 - **Lou Nutter** made an eagle of his own ... holing out his approach shot on hole #15 with a 6-iron from 165 yards. Congratulations on your first eagle!
